

I-5/ORTEGA HIGHWAY INTERCHANGE IMPROVEMENT PROJECT

Friday, March 6

I-5 / Ortega Highway Full Closures Canceled For March 7, 8.

The full closures of I-5 in San Juan Capistrano and the Ortega Highway bridge, scheduled for midnight-6 a.m. this weekend, March 7, 8, have been canceled.

Closures scheduled for next weekend, March 14, 15, are still planned. The closures are necessary to allow falsework to be installed for the new bridge on the north side of Ortega. The Ortega Highway bridge will be closed at 11 p.m.

During the closures, motorists traveling north on I-5 will be diverted to the Ortega Highway off-ramp and will use Rancho Viejo Road and Junipero Serra Road to re-

access the northbound I-5.

Motorists traveling south on I-5 will be diverted to the Ortega Highway off-ramp and back to southbound I-5 via the Ortega Highway on-ramp.

Motorists who want to drive into San Juan Capistrano from I-5 must use the Camino Capistrano or Junipero Serra exits.
